

# HB3517

## 99TH GENERAL ASSEMBLY

### State of Illinois

2015 and 2016

HB3517

by Rep. Robert F. Martwick

#### SYNOPSIS AS INTRODUCED:

225 ILCS 85/16c new

Amends the Pharmacy Practice Act. Provides that beginning July 1, 2015, every new or refilled prescription for a Schedule II controlled substance shall only be dispensed in a medicine locking closure package. Defines "medicine locking closure package" and "Schedule II controlled substance". Provides that the medicine locking closure package may not be reusable. Provides that the medicine locking closure package must be dispensed by the pharmacy with instructions for patient use. Provides that the manufacturer of the medicine locking closure package must make assistance available online or through a toll-free number for patients. Effective immediately.

LRB099 10752 HAF 31047 b

A BILL FOR

1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Pharmacy Practice Act is amended by adding  
5 Section 16c as follows:

6 (225 ILCS 85/16c new)

7 Sec. 16c. Medicine locking closure package.

8 (a) As used in this Section:

9 "Medicine locking closure package" means any alphanumeric  
10 combination locking closure mechanism that can only be unlocked  
11 with a user-generated, resettable alphanumeric code in  
12 combination with an amber prescription container that forms a  
13 package that allows only the person with the prescription in  
14 the package access to the medicine.

15 "Schedule II controlled substance" means a Schedule II  
16 controlled substance under the United States Controlled  
17 Substances Act and 21 CFR 1308.

18 (b) Beginning July 1, 2015, every new or refilled  
19 prescription for a Schedule II controlled substance shall only  
20 be dispensed in a medicine locking closure package. The  
21 medicine locking closure package may not be reusable. The  
22 medicine locking closure package must be dispensed by the  
23 pharmacy with instructions for patient use. The manufacturer of

1 the medicine locking closure package must make available  
2 assistance online or through a toll-free number for patient  
3 use.

4 Section 99. Effective date. This Act takes effect upon  
5 becoming law.
